# Year 12 Accelerate Option Selections for 2010

Full Name: \_\_\_\_\_ Form Class: \_\_\_\_\_

Please tick one: *Next year, I am .....*

Definitely Returning  Possibly Leaving  Definitely Leaving

Do you wish to Apply for entry into High Performers Programme (formerly Titans)?

Yes  No

- You will need to meet entry requirements to study particular subjects at Level 2 or 3. While some subjects have "open entry", others require specific levels of achievement - check the entry recommendations for each subject in the Senior Curriculum Book.
- As accelerate students, you must study English and Maths. In addition;
  - Students in 6A in 2010 can choose four other subjects, of which up to **THREE** can be at Level 3 providing you have met the entry requirements for that subject.
  - Students in 6B in 2010 can choose four other subjects, of which up to **TWO** can be at Level 3 providing you have met the entry requirements for that subject.
- As entry to the High Performers Programme (Sports) is limited, students applying for the programme should make a full range of option choices **excluding** High Performers Programme (HPP2).
- When making choices, please full out the option code for the subject, not the name.
- Enter one Alternative option in case one of your choices is not available.
- The Year 12 Tutor for 2010 is Mr Ms A. Ibbitson.
- Please note** - courses will run in 2010 only if student numbers allow. Because of this, please select an alternative option choice in case your first choices are not available.

### Options:

English: 6AEN 6BEN

Mathematics: 6AMA 6BMA

3<sup>rd</sup> subject: \_\_\_\_\_

4<sup>th</sup> subject: \_\_\_\_\_

5<sup>th</sup> subject: \_\_\_\_\_

6<sup>th</sup> subject: \_\_\_\_\_
